STRUCTURAL AUDIT CERTIFICATE

Project : KHADIJATUL KUBRA PUBLIC SCHOOL  
Location : 8/1, Jogabai, Jamia Nagar, Okhla, New Delhi  
Date : 16 Sept. 2025

This is to certify that, as per the request of the school management, a structural audit of the school building located at Jamia Nagar has been conducted. The audit included a thorough visual inspection and Semi-destructive and Non-Destructive Tests on randomly selected RCC components, relevant codes (including IS:456, IS:875, IS 516).

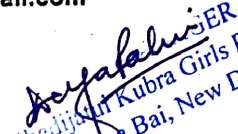

Audit Scope:

- Visual inspection of structural elements i.e. columns, beams and slabs for signs of distress, deformation, or deterioration.
- Assessment of present Quality and Strength of RCC Columns, Beams and Slabs through non-destructive tests.

Findings:

- No major structural defects, cracks, or settlement were observed during the audit.
- Building elements, Columns, Beams, Slabs and supporting components are in satisfactory condition and adequate for continued safe use as a school.
- Any minor deficiencies observed have been recommended for prompt repair in the attached test report.

---

**Declaration:**

Based on the above audit, the school building at Jamia Nagar is deemed structurally stable and fit for regular occupancy and educational operation as of the date of this certificate. This certification remains valid provided there are no major alterations, additions, or changes in use, and that regular maintenance continues as recommended.
