

'KHADIJATUL KUBRA GIRLS PUBLIC SCHOOL, NEW DELHI ANNUAL REPORT FOR THE SESSION 2021-22

Assalam-o-Alaikum Wa Rehmatullah-e- Wa Barakatuhu!

A warm and heartiest welcome to all the members of Managing Committee. It is my pleasant duty to present the Annual Report of the School for the session 2021-22.

The School was established in 1985 under the auspices of Abul Kalam Azad Islamic Awakening Centre, New Delhi (an educational society) with the efforts of Late Maulana Abdul Hameed Rahmani. May Almighty Allah give better reward to him for his efforts.

As we approach to the beginning of this academic year and our 36 years of service towards providing quality education since our inception in 1985, we take this opportunity to thank Allah the Almighty for His abundant blessings and guidance from our management, parents, students, teachers and well-wishers.

ONLINE TEACHING-LEARNING PROCESS

The new idea that we implemented this year was to hold Morning Assemblies every day at 8:35am. In each class assembly students pray to Allah and discuss "Hadees" and "thought for the day" under the guidance of the class teacher. Morning assemblies are a measure to reinforce discipline and focus. An important observation about the teaching learning process is that teachers are more efficient this year as compared to the previous year. They demonstrate new concepts, lead discussion, write on white boards, show videos and other visuals. The bond that teachers build with their students is deep and strong. Now they know the family of the students well. This relationship enables teachers to make truly meaningful.

SCHOOL SELECTED FOR EXAMINATION CENTRES

First time our School selected as Centre For CBSE Term 1 Examination for Secondary Level and NIOS Centre For Practical Examination. And I can proudly say that Alhamdullilah my team has completed the work successfully.

RESULT FOR TERM I CLASS X

Our school students came out with 100% result where our girls again proved that nothing is impossible, one need to work with right guidance and hard work.

NEW ADMISSION

Alhamdullillah this year we have admitted 285 new students in our school family. As far as admissions are concerned one of the biggest achievement is that now we are having a group of well qualified and vigilant parents, and our admission team is constantly working hard on selecting bright and hardworking students so that we grow more better, more educated and stronger.

ONLINE ORIENTATION PROGRAMME

Student orientation program plays an important role in students transition to school life. The aim of orientation program is familiarizing the students and parents to school environment, its teachers, infrastructure, syllabus and examination policy etc. In the beginning of the session the virtual orientation program from class Nur to X were conducted.

UPGRADATION OF THE SCHOOL

I am happy to inform you that we have applied for the upgradation of the school on 9th April, 2021 from secondary to senior level [Humanities/Science stream]. The inspection was scheduled on 28th of July ,2021 for Humanities and 16th August,2021 Science stream. The inspection committee appreciated our school and its infrastructure especially Science labs. We hope InshaAllah we will get the upgradation very soon for Senior secondary level, further we will apply for the affiliation in the month of August, 2022 to central board of secondary education [CBSE].

ADMINISTRATIVE BLOCK EXTENDED

The school has also extended its administrative block which includes more better services to the Parents and the work and functioning of the school and office is expected to work more efficiently and smoothly.

UPGRADATION IN SCHOOL INFRASTRUCTURE

A good school infrastructure with good spaces makes it good place for the children to study. The impact of educational spaces set out to the identity the empirical well-being of students in schools, keeping this in mind the school has brought many changes in the school infrastructure as well. We have introduced

- SPLASH POOL FOR PRE-PRIMARY STUDENTS
- SPORTS ROOM FOR VARIOUS INDOOR GAMES
- AUDIO VISUAL ROOM IN PLACE OF ACTIVITY HALL

ON LINE CO-CURRICULAR ACTIVITIES

“There are two types of education. One should teach us how to make a living and the other how to live”.

The part of education which teaches us how to live is co-curricular activity. The importance of co-curricular activities in modern education can be fathomed by the fact that these activities have become an integral part of the curriculum policy and present school life cannot be imagined without ongoing debates, recitation, art and craft to name a few from ever increasing list. These activities not only give an equal footage to every child but also boost their confidence and spirit of independence.

However, unlike previous years this year activities have been restricted to virtual medium, but this hasn't let down the zeal of our talented girls, they still proved themselves and shown maximum participation in the following activities/competitions:

- English poem recitation competition
- English speech competition
- Hamd competition
- Hindi speech competition
- National Unity Day
- Show and Tell/Salad making
- Fancy Dress
- Independence Day/ Teachers day / Children's day /Republic day celebrations
- Arabic Calligraphy
- Coronavirus awareness week
- Art and Craft activities
- Food without fire
- Ek Bharat Shrestha Bharat -DOE
- Maha Poshan week

TEACHERS TRAINING PROGRAMME

This year our teachers also left no stone unturned for their own self improvement from handling online classes till grooming themselves professionally where they have become more organized and focused towards their work by participating in:

Teachers professional development programme in schools with their respective subjects heads.

Online teachers training from CBSE/NCERT/DIKSHA APP/ [According to NEP,2020 its expected from teachers to attend 50 Hours Online/Offline/In house training.

ONLINE INTER-SCHOOL COMPETITION

Education without co -curricular activities is like educating the mind without educating the soul. Co -curricular activities are the activities through which the learner explores his/her abilities, eradicates his/her weakness and creates a broader vision of life. However, unlike previous years this year activities have been restricted to virtual medium, but this hasn't let down the zeal of our talented girls, they still proved themselves and like always have made our institution and teachers proud again.

Various events and the name of the position holders who participated in inter school competitions.

Unlike every year this year also our school's talented girls along with our hardworking teachers participated in three Day, 2nd virtual 16th NHS Inter – School competition.

**PARTICIPATION IS MORE IMPORTANT THAN SUCCEEDING OR FAILING

I would like to dedicate whatever we could achieve, to our beloved students, committed team of teachers, other staff and valued parents of our school. I thank our management for their whole-hearted encouragement and continued support. A special thanks and appreciation for their initiatives for the expansion of the campus with more infrastructure facilities.

We seek the blessings from the Almighty Allah to help and guide us in the future in the right direction.

Thanks & Regards

Shabana Khan
(Vice Principal)
